

Technical Data:**op 201****Stand:2012****Artikel:****op 201**

Dimensions

171*181*89 mm

Weight

780c incl.battery

supply voltage

12 DC adapter 2m

total power

3W/6W

Battery:

4*1,5 V cell, or accu

running time:

high power 6 hours

operation:

can be operated with 12 V adapter, (direct operation)

switch:

main switch on pistol grip, on/off

Rotary mode switch:

High,low, quick Flashing (stroboscope)

Housing protection

IP 53

Safety shutdown

70° auto

run up time 100%

directly

Restart

immediately

VIS Light

top mounted push button white light, 5000 Lux

LED:

nichia high end 365nm+-5nm
1/2 LEDs

UV (40 cm)

2 led>40 W/m²

illuminatin area

15 cm, distance 40 cm

life spam led

more 10000 h
